1.03 Adoption of Minutes:

This item was for members of the ASHC to hear about upcoming workgroup opportunities to provide input. Dr. Lofman provided a [PowerPoint presentation](#) for the following key issues in Guided Pathways:

Here are some key issues that need to be resolved:

- Some services are not scaled to meet student needs
- There is inadequate integration of student support services and academic interventions
- The organization tends to operate in silos rather than in integrated ways to better help students succeed
- Communication with students tend to lack strategic execution
- Many students drop out and do not complete their educational goal
- Many students take too many years to complete
- Many students take many more earned units to complete than required
